---

## Welcome to Live Store!

---

Thank you for using Live Store for Windows Phone 8.1!

The operator of the service can be referred to in this document as 'We', the 'Site', 'Us'.

Please carefully read this Privacy Policy ("Terms") before using the website, application, and any services ("Service," "Services") that we operate. We reserve the right to modify these rules, with or without warning.

The Service Providers for this platform ("Live Store") are Fullmoon (fullmoon.dev) and MARMAK (marmak.net.pl). The Live Store serves as an application store, where users can submit and publish apps for distribution and archival reasons. We respect the rights of developers. For takedowns or legal questions, contact [privacy@fullmoon.dev](mailto:privacy@fullmoon.dev). We will respond within 7 to 30 days.

By using any of our services, **you are agreeing** to our Terms of Use and Privacy Policy.

If you **do not** agree to our policies, please discontinue using our services immediately.

## Responsibility and Limitations

---

Users are responsible for

- any criminal and civil penalties issued by law enforcement agencies in connection with their use of the service, subject to applicable laws in their jurisdiction,
- any damage done to their devices that may have occurred as a result of doing advanced changes to your device such as bootloader unlocking and enabling root access. You are responsible for your own device,
- any damage done to their devices as a result of using the service on an unsupported platform.

## Data Collection

---

We value our users' trust and privacy. Live Store collects the following information:

- IP Address that makes requests to our CDNs. You make requests to our CDNs when downloading images and applications from the store. The IP Address is stored for safety reasons and can only be accessed by our Staff Team for 6 hours after the request was made.
- Unique Device Identifiers (UUID);
- Device Model information.

We collect information to ensure the safety of our platforms and restrict access to bad actors.

\*The CDNs host is G-Core Labs S.A. with the principal place of business at 2-4, Rue Edmond Reuter, L-5326 Contern, Luxembourg.

## Operated Services

---

The Service Providers operate the following domains and their subdomains fully:

1. Fullmoon:

- fullmoon.dev
- live.net.co
- dink.cf

2. MARMAC

marmak.net.pl

Only get the Live Store from the operated domains, the only trust-worthy source.

## Termination

---

You may terminate these terms of service at any time by discontinuing use of the service and erasing any contents obtained from it, as well as any related documents, copies, and installations, whether made under these terms of service or not.

## Miscellaneous

---

If we make major modifications to these service-specific terms, we will notify you and allow you to review them.

These terms only apply to your connection with the Service Providers, not to any other organisations or individuals, even if they legally benefit from it.
