Welcome to Live Store!

Thank you for using Live Store for Windows Phone 8.1!

The operator of the service can be referred to in this document as 'We', the 'Site', 'Us'.

Please carefully read these Terms of Use ("Terms") before using the website, application, and any services ("Service," "Services") that we operate. We reserve the right to modify these rules, with or without warning.

The Service Providers for this platform ("Live Store") are Fullmoon (fullmoon.dev) and MARMAK (marmak.net.pl). The Live Store serves as an application store, where users can submit and publish apps for distribution and archival reasons. We respect the rights of developers. For takedowns or legal questions, contact privacy@fullmoon.dev. We will respond within 7 to 30 days.

By using any of our services, **you are agreeing** to our Terms of Use and Privacy Policy.

If you **do not** agree to our policies, please discontinue using our services immediately.

Profiles

Our service is available to everyone across the globe* and over the age of 13. **Users who do not meet the age requirement cannot use the service.**

Live Store does not require an account to browse or use the service's functions. The Service Provider does not provide a way to register new accounts for Live Store.

Users acknowledge that they are responsible for all activities that occur related to their use of the service. The Service Providers or its staff members, partners will not be held liable for any mistakes or damages that occur as a direct result of actions made with the service.

Responsibility and Limitations

Users are responsible for any criminal and civil penalties issued by law enforcement agencies in connection with their use of the service, subject to applicable laws in their jurisdiction.

Users are responsible for any damage done to their devices that may have occurred as a result of doing advanced changes to your device such as bootloader unlocking and enabling root access. You are responsible for your own device.

Users are responsible for any damage done to their devices as a result of using the service on an unsupported platform.

- *Windows Phone 7.x* - unsupported, will not work or connect,
- *Windows Phone 8* - unsupported, will not work or connect,
- *Windows Phone 8.1* - might have issues connecting to servers, update to Windows Phone 8.1 Update,
- ***Windows Phone 8.1 Update* - supported, recommended platform,**
- *Windows Phone 8.1 Update 2* - system fails to open apps after using CMD Injector,
- *Windows 10 Mobile* - application might run however will run into issues, unsupported.

To the fullest extent permitted by law, none of the Site's affiliates, operators, or volunteers will be liable to any person(s) for indirect, incidental, special, punitive, cover, or consequential damages caused, under any theory of liability, including, but not limited to, contract, tort, warranty, breach of mandatory duty, negligence, or otherwise, even if we were advised of the possibility of such damages or could have foreseen them. These limitations apply even if this solution does not compensate you for any losses or fails to meet its primary objective.

Termination

You may terminate these terms of service at any time by discontinuing use of the service and erasing any contents obtained from it, as well as any related documents, copies, and installations, whether made under these terms of service or not.

Miscellaneous

If we make major modifications to these service-specific terms, we will notify you and allow you to review them.

These terms only apply to your connection with the Service Providers, not to any other organisations or individuals, even if they legally benefit from it.

Notes

*The Service Providers reserve the right to turn off the platform in a specific area if service maintenance or safety requires it.
